Affiliated to Kannur University

(Reaccredited by NAAC with A Grade)

### FEEDBACK ACTION TAKEN REPORT 2022-23

The college conducted a survey to obtain feedback from stakeholder community on various aspects of the curriculum. A detailed analysis of the data was done by using statistical software and action was taken on the basis of the findings. A concise report on the feedback and action taken is given below:

<b>Feedback</b>	<b>Action taken</b>
<b>From Students</b> 1. Students raised their apprehensions regarding the lagging of semesters as it would affect their prospects of higher studies. 2. Lab facilities for PG students are not adequate.	1. This concern was mainly on account of the pandemic/online classes which would be regularised by the next academic year. 2. Decided to give detailed proposals to government for the enhancement of lab facilities for the MSc Chemistry programme.
<b>From Teachers</b> Certain reference materials are not	Decided to inform the librarian to take

available in the library.	necessary action to provide the materials.
<p><b>From Parents</b></p> <p>Connection between Teachers and Parents have to be improved. A few parents raised grievance of not being informed about the programmes conducted by the college.</p>	Decided to make class wise WhatsApp group for parents and teachers and inform the programmes conducted in the college through WhatsApp.
<p><b>From Employers</b></p> <p>PG syllabus are not updated.</p> <p>The communication skill and leadership skill of students are to be improved.</p>	<p>Informed the academic council and it ensured speeding up of the process of curriculum revision of all the PG programmes.</p> <p>Decided to conduct additional programmes to improve communication and leadership skills.</p>
<p><b>From Alumni</b></p> <p>The Alumni Association of some departments are not active.</p>	Decided to inform the respective Head of the Departments to conduct programmes to connect with and engage the alumni.
